

Affäre's Tasting Menu

January 2025

Dear Guests,

We will not offer our weekly Tasting Menu during January's Kansas City Restaurant Week.

The Restaurant Week menu will be available, instead.

We will resume offering our Tasting Menu in February 2024, and will be sure to let everyone know through email and social media.

Please know that we are always happy to offer customized wine pairings with the dishes you choose.

Thank you for your patronage!

Your Affäre Family
